foreword

The 1982 Crier is a small time capsule. Each page unfolds many memories of the 1981-82 school year. It has been said that the time never changes; only the people do. We, the 1982 Crier Staff, have captured these people. With the help of our Crier, we can never forget this huge part of our lives: BHS.

dedication

The word "dedication" is not just a term to Mr. Roger Patterson, but an entire way of life. He has never turned a student away, and often tells past students to "come back if you need any help." Mr. Patterson has been teaching for 14 years. Currently his classes include Algebra II, and Computer Science. He also teaches at Y.S.U.

He received his Bachelor's degree from Dartmouth College, and his Master's degree from Ohio State University.

Mr. Patterson is very involved in our activities, for he is the offensive line football coach, track assistant, superviser of intermural basketball, wrestling timer, and a basketball statician and fan. Not only is Mr. Patterson concerned with his athletes' performing ability, but their scholastic and individual developments as well. He also is a church trustee at Boardman United Methodist Church, and a trustee for the school credit union.

Mr. Patterson and his wife, Karen, have 3 children: Jeanette, 10; Teresa, 5; and Stephanie, 2.

The 1982 Crier Staff would like to honor Mr. Roger Patterson for his "dedication" to our school and students with our DEDICATION. We love you!!

'82 Seniors Beginning And Ending With A Bang!

After finally adjusting to the fast-paced world of high school life, the Class of '82, began to enjoy each other. Freshmen year, all the girls wondered if by our senior year, the guys would still stand in a circle by the door. Well, the answer is "yes." You just can't teach an "old dog" new tricks! The girls tired of waiting, finally retreived to the steps. It has been an unforgettable, unending relationship. We've made it together, through thick and through thin, tears and laughter, the good and the bad. As we go our separate ways, we will never forget BHS. Though miles may separate us, our hearts and memories will always remain at BHS.

In Memory Of

David Johnson

Those whom we love go out of sight
But never out of mind.
They are cherished in the hearts
Of those they leave behind.
Loving and kind in all his ways
Happy and free to the end of his days.
Sincere and true in heart and mind
Beautiful memories he left behind.

Adrienne Mohney

"I'll lend you for a little time
A child of mine," God said.
"Will you, till I call her back,
Take care of her for me?
She'll bring her charm to gladden you
And should her stay be brief,
You'll have her lovely memories
As solace for your grief."

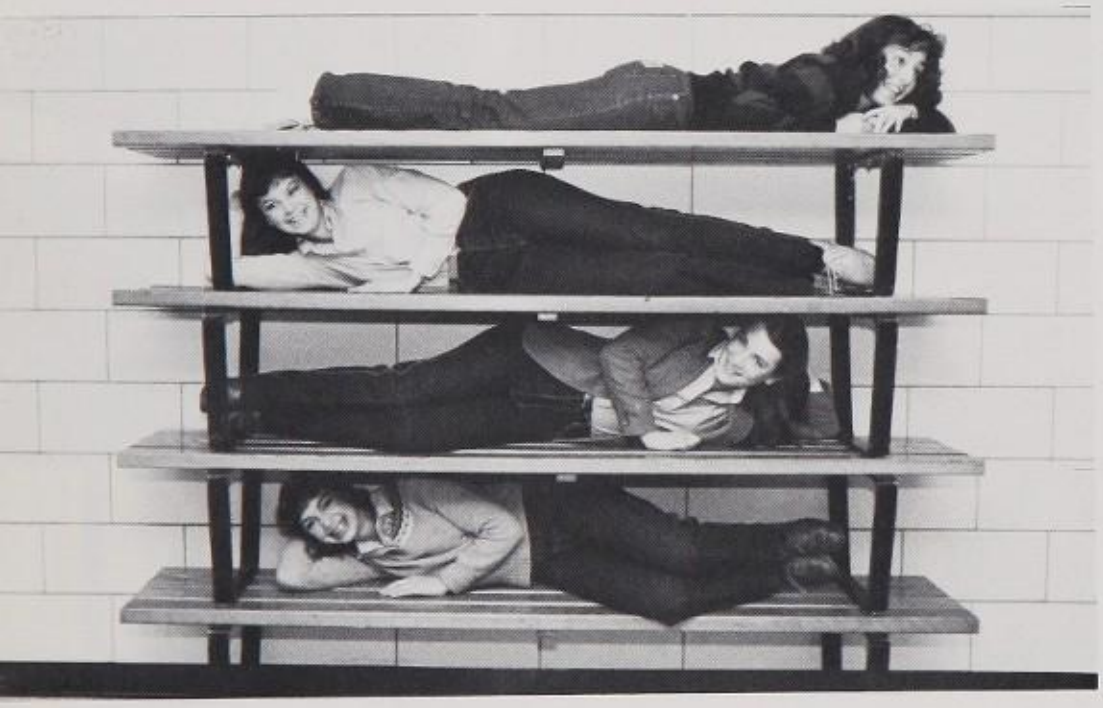
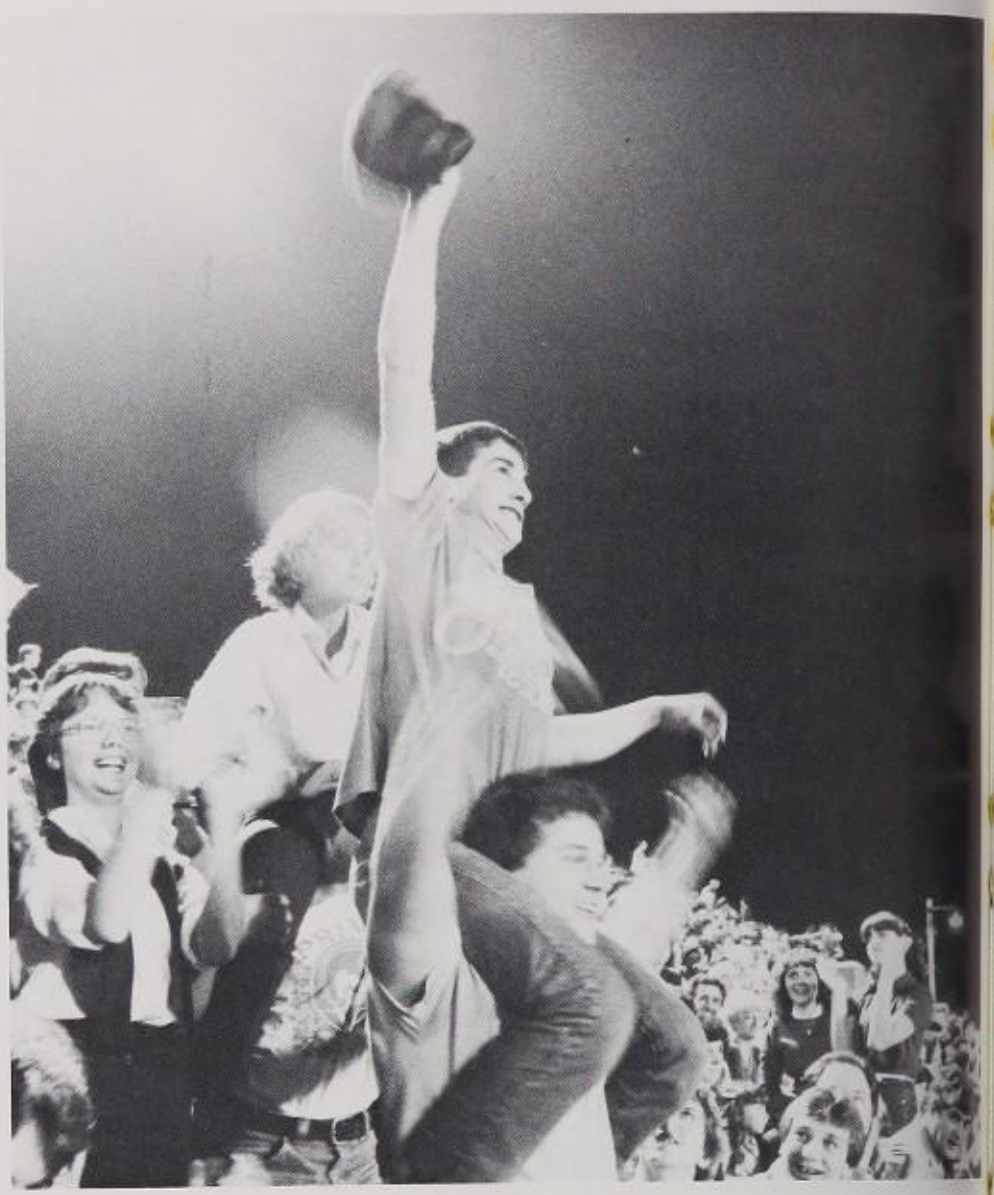
Juniors-It goes so quick!

"Only one more year," is the famous cry. Yet the realization of this statement is not all happiness. The juniors have waited long to receive the rule of the school, yet once it is theirs, it goes by so quickly. This year was one of new expectations and responsibilities. The class has established a bond, and a strong feeling of closeness. Now, with one year left to share, they know it must be the best and it will be by far. Enjoy this time to its fullest, and work together through it all. For 1983 is but a step away, and who knows what may be past that last step?



Junior Class Officers: Michelle Vross, president; Lori Roncone; vice-president; Katie Brenner, treasurer; Kirsten Sutton, secretary.

Executive Committee: Joan Tamburro and Jennifer Granito.



Tony DiGiacomo is at the top of his class when it comes to cheering the football team on to victory.

Carrie Kirven and Julie Owen admire the photos in the Senior showcase.

Sophomores Climbing The Ladder

Climbing the high school status ladder, is a true experience. Already you have passed the bottom rung, and are moving swiftly into the future. It may seem a long, unending journey, but the top is just a bit further. All the possible paths to take in the future are now being explored. It is a difficult decision, but now is the time to start thinking. The distance isn't much farther, you've got the hang of most of it by now. So enjoy the dances, games and all the activities you love. 1984 - You're on your way!!!

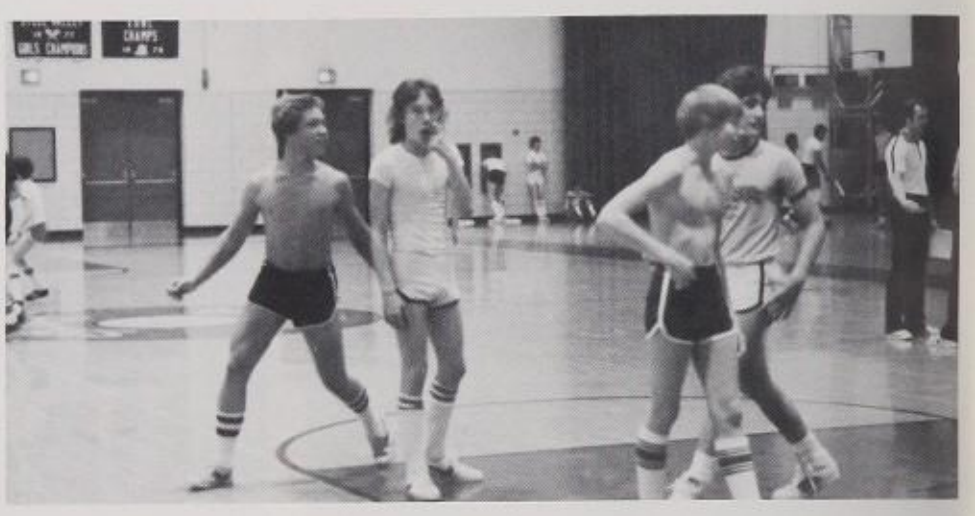
Freshmen- Learning The Rules

A good start; you've made it this far. Now is the time to end the Center/Glenwood rivalry. Ahead are the best years of your life. The friends you've made now will be with you forever. There is a lot left to experience. The times ahead may be uncertain,- but never dull. This establishment will always hold a special place in your heart. It all seems so strange, maybe even difficult, but you live and learn- and love it all. So end the 8th grade rule, this new place may seem scary, but you're year, 1985, will be the last and best of them all!!!

1. Dierdre Higgins, Andrea Ciccotelli, and Keith Kavinsky take a break from the wild dancing at Sadie Hawkins.

2. Portraying the role of gangsters and flappers, the freshmen servers man the Coca-Cola bar.



3. Dwayne Felger, Richie DeCapita, Eugene Roncone, and Shawn Laberto swing into action during freshmen gym class.

4. Class Officers: Vice Pres. Greg Sutton, Sec'y. Amy Faulkner, Treas. Karen Klein, and Pres. Dean Economous.

5. Executive Committee: Jennifer Berow, Marcie Connolly, and Missy Steck.

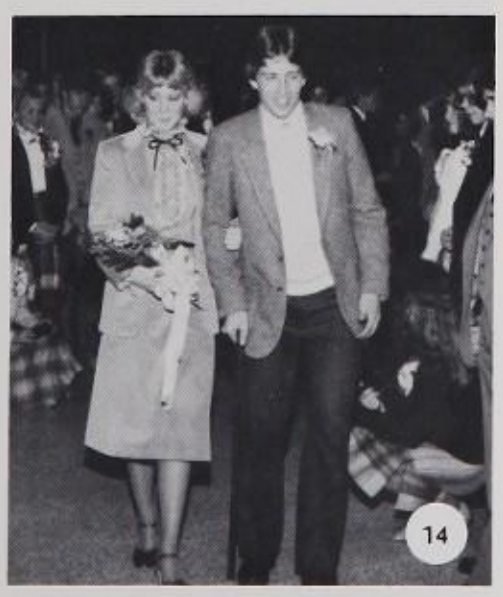
Homecoming '81- Petko Reigns As Queen

For BHS, Homecoming '81 began early and lasted Thursday, October 8 through Saturday, October 10. The celebration began on Thursday with a victory bonfire. The court was introduced to the crowd and the students were psyched for the upcoming game with the symbolic burning of an Ursuline football player. Friday evening opened with the festive-crowning of Queen Liz Petko. As the night advanced the Spartans crushed Ursuline in a 21-7 Homecoming victory. The "Roaring 20's" set the mood for the traditional Saturday night dance where freshman servers dressed as gangsters and flappers. Adding to the atmosphere were antique cars, speakeasies, and scenes of stills, kegs, and longjohns. The sounds of Ellen & Company filled the air as couples enjoyed themselves dancing. Tradition once again engulfed Boardman High as students were caught in events that provided a weekend to always remember.



1. The November 9th Homecoming bonfire drew a large crowd to celebrate the nearing activities.

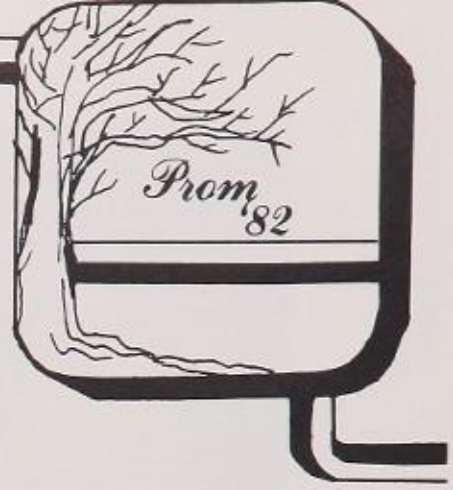
DiVincenzo Reigns As Prom Queen



The 1982 Prom, under the direction of Mrs. Alice Herrmann and Mrs. Elaine Raffety, was entitled "The Enchanted Forest." Trees surrounded the entrance, and magical unicorns hid in the forest. Queen Carrie DiVincenzo, and her court reigned over the evening. The sounds of "The Real Thing," and the senior boys' stereo, provided music for the couples. The tables were decorated with candles and paper flowers. The throne was a mysterious castle. The entire prom weekend will be one to be remembered.

Assistants And Helpers — Behind The Scenes Of BHS

The room is silent. The door is opened. The class is full of cold, staring eyes. In walks the faithful office worker, delivering a call slip. The class watches her every movement ready to laugh at her slightest error, as the teacher barks, "He's not in here this period!" This is just one example of the many duties a worker must face. Few realize the responsibility and the many tasks that accompany the job. If it were not for these devoted helpers, the work load of both the administration and the staff would be doubled. Thus, the whole BHS extends its thanks to all of the assistants for helping this year run smoothly.

Cheerleaders- Rah, Rah!!

Team spirit? They promote it! What would a Friday night football or a Saturday night basketball game be without, "Who 'de say 'dat we ain't bad? Who 'de? Who 'de?" or "Hey chump, you fouled a man! Hey chump, you fouled a man!"

Motivation is the name of the Boardman Spartan cheerleaders' game. Get the crowd roaring. Get the team psyched. Together the two spell W-I-N. After all that's the Spartans' goal!

Mrs. Olson and Mrs. Formichelli guided the cheerleaders into a year of enthusiam with new styles and new cheers.

After practicing throughout the summer and competing long into October, the Boardman High School Cross Country Team completed a successful 13-3 season. The team gained second place in the Steel Valley Conference as well as second place in Sectional Competition. Sophomore Tim Powers was the only member to compete in state competition. Being led by only three seniors, Jim DePietro, Greg Hager, and John Rayburn, the 13-3 record showed that determination was a great part of the team.

Also, for the first time in the schools' history, the girls had their own cross country team. They ended up their season very successfully and placed fourth in Sectional Competition. Senior Swim Party!

June 4th was the Senior Swim Party, at Holiday Sands, one event that every student looks forward to. Other than the slightly freezing temperatures, the day was a success. Enjoying 36 cases of pop, everyone had enough to drink. And there were some extra juicy watermelons! All in all, the day was one to remember!

1. Mr. DeLorenzo tells Marco Marinucci to step aside and let a "real" cook take over.
2. Mary Kay Williams "what a swinger!"
3. Sara Stendahl, Janet Smith, and Scott Mesarch take it easy.
4. Tom Gruger, Bernie Kosar, and Bernie Vogel spring into action.
5. Admiring the "view" are Kurt Koch and Dave Davis.
6. Mr. Centofanti directs the baptism of "born-again" Senior Advisor Don DeLorenzo.
7. Bob Armeni, John Gregory, and Tim Inboden can't seem to decide where to go next.
8. Hey Jim Chahine, you'll never tackle Mike Kratofil that way!
9. Cindy Clarke and Sally Hernandez warm up as Noreen Feyock and Kelley Domer watch with envy.
10. No one's going to take that ball away from you, Mark Luke.
11. Bob Ashly shows his expertice at throwing a frisbee.
12. Who could be on your mind, Paula Brown?
13. Amy Evanoff, Lori Colman, and Kari Laidlaw can't stop laughing, what's new?
14. Dave Dehoff and Harry Larsick pose before taking a slide.
15. Mr. Rice and Jim Glinatsis find many "things" to talk about.
16. "A little girl talk."
17. The crowd.
